Reporting

- Do we want multiple surveys sent to the same organization or just 1 per organization?
  - Maybe multiple to gain more perspectives
- Make sure we have emails for all stakeholders.
- What email will we send the survey from?
- Dorinda may send the survey from her email through APS.
- Make sure to ask Reena and Zenita if we will be able to put the survey on the AG website and Maryland Access to Justice Commission website.
  - Press release?
- We will be working with the Public Awareness Committee to help us get the surveys out and hopefully translated.
- Sandy will work with the data & legal technology subcommittee.
- Next meeting will be with the entire SANE committee on Wednesday 8/26/2020 at 11 am.
- Start thinking about long term goals.
